sistemi per l'acqua

I modelli  
QK 400 - QK 420 - QK 450  
sono reversibili perché si possono  
installare a pavimento oppure a parete,  
cambiando unicamente  
l'aggancio della leva pedale  
Pedal taps QK 400 -  
QK 420 - QK 450  
are reversible as can be  
installed on the floor or  
on the wall just changing  
the pedal lever fixing position.
